DYNEX™ ●●●

1.3 MP Webcam • DX-WEB1C_CPW

Features

#	Component	Description
1	Power LED	Lights yellow when your webcam is streaming video.
2	Camera Head	Captures the video image. Can be tilted 30 degrees vertically.
3	Microphone	Captures audio during video chats.
4	Hinged lever	Use this to mount your webcam to an LCD display panel.
5	USB Cable	Connects to your computer's USB port.

Installing your webcam

Your webcam is Plug&Play capable, so no installation is needed. However, for Windows Vista/XP users, installing software will allow full functionality of the webam's features. Install the software and drivers before connecting your webcam. Software support is not available for Mac systems.

Note: This webcam is compatible with Mac OS X 10.4.9 or higher. The webcam uses the general functionality provided by OS X and as such is limited.

To install your webcam:

1 Insert the Installation CD into your CD or DVD drive. The CD should start automatically. If it does not, double-click the **My Computer** icon (or click **Start**, then **My Computer**), right-click the CD-ROM/DVD-ROM drive icon, then click **Autoplay**.

2 When prompted, connect your webcam's USB cable to your computer.

3 If the *Found New Hardware Wizard* opens, click **No, not this time**, then click **Next** on this and all subsequent windows.

4 Mount your webcam on your monitor by placing the camera head on top of the monitor with the mounting lip over the front of the monitor and the hinged lever on the back.

Using your webcam

To capture images and videos:

Click **Start**, **Programs** (or **All Programs**), **Dynex**, **Live! Cam**, then **Live! Cam Center**.

Note: For details about using your webcam's software, click Help from the application's main window.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1 This device may not cause harmful interference, and
2 This device must accept any interference received, including interference that may cause undesireable operation.

Canada ICES-003 statement

This Class B digital apparatus complies with Canadian ICES-003.
